

Dear Doctoral Students,

Many of you will be in a position of attending a conference, seminar or applying for an internship or position. Since this often involves a formal interview process, the GSD makes available to you a business card that is standardized for the GSD. It is most cost effective for me to submit all the business card requests at the same time. Please have your form filled out and returned to me by **October 1** and I will send them in for you. Most students either put Doctoral student, PhD student or Doctor of Design Student. If you have passed your generals and prospectus you can put candidate instead of student. You do not need to fill out each line. Please print very carefully and review what you have written as I will be typing it in for you and it is extremely costly and time consuming if there is a mistake.
