Please note that an entering Advanced Placement student may not be waived out of all first-year courses, so individual schedules may vary.

**Footnotes**

* MArch I AP students are recommended to take a Building, Texts, and Contexts (BTC) course in the spring of their second semester; however students may elect to fulfill the BTC requirement in the fall if that better accommodates their academic goals.

** A minimum of one Option Studio taken must be offered through the Department of Architecture.

**** 4 units of Digital Media Requirement courses must be taken in the second or third semester. Offerings may vary by year.

***** Students are required to fulfill the following distributional electives:
- 8 units of advanced history
- 4 units of global culture and diversity
4 units of professional practice

An approved list of distributional electives is posted each term. Please note that some courses may count toward the satisfaction of two distributional electives. For example, an advanced history course may also fulfill a global culture and diversity requirement.

General electives may be fulfilled through any course at the GSD or cross-registered courses at Harvard schools, MIT, or the Fletcher School of Law and Diplomacy at Tufts.

***** Students are required to take GSD 9203 in their fourth semester; however, an alternative thesis prep course may be approved by petition to the department.
